

January 06, 2015

Welcome back to the remainder of our CanskateSession!

We will be hosting a Canskate Element Event on Tuesday January 27th for the Tuesday class and Thursday January 29th for the Thursday class. The groups will get to practice the circuits on their regular schedule lesson the week before. The Canskaters will receive a Performance Standard Chart, Certificate and a ribbon at the end of the Event.

Also at this time we would like to remind you of the following dates:

Tuesday Feb 10th – last Canskate session at the Essar and badge day

Thursday Feb 12th – last Canskate session at the McMeeken and badge day

We do an Annual Ice Show which is held on **Tuesday March 03, start time 7:00** pm. We encourage ALL Canskaters to participate. It's the time of year where all the **SKATERS** from the club get to show off their talent!!!!!! Costumes are kept simple for the young Canskaters.

If you have any questions or concerns, please feel free to speak with your child's coach.

Yours in Skating,

The Coaches of the Sault Figure Skating Club
